AT LONG LAST, SUMMER IS ON THE WAY!

Mark Stanislawski

As we enter into June — the last month of our fiscal year — this is a great time to make an additional gift or renew your contribution to help SOPTV finish the year! Take a look at some of the great interesting programs we have coming up, including a full line-up for our Summer of Space. Thank you; we couldn't do it without you!

Speaking of programs that SOPTV broadcasts, I also hope you have participated in our annual survey, which wraps up on June 15, 2019. Pledge drives and our Annual Membership Survey are ways you can tell us which programs you enjoy on SOPTV-PBS, SOPTV-Create, and SOPTV-World. Your comments help us determine which programs are important to you.

SOPTV's three channels of service offer a wide variety of content unparalleled on television. However, the programs that make such a difference in our service are thanks to you and your continuing support. Thank you! If you haven't had a chance to fill out our survey yet, go online to [www.soptv.org/survey](http://www.soptv.org/survey)

Also, keep an eye on your mailboxes next month when we roll out our new member guide! We are transitioning to a two-month, magazine-style format. We hope you like it, and enjoy the new content.

Finally, I want to thank and congratulate Linda Pinkham who is leaving SOPTV after eight plus years of service as our communications manager, chief editor, and designer of *Inside SOPTV*. Linda's ability to edit content is unrivaled. Congratulations and all the best in your new venture, Linda Pinkham Publishing Services!
