Members' Message

SOPTV Receives \$25,000 Grant from Newman's Own Foundation: Funding to Support New Memberships

Southern Oregon Public Television has been awarded a \$25,000 challenge grant from Newman's Own Foundation, the independent foundation created by the late actor and philanthropist, Paul Newman. The award to SOPTV reflects the ongoing commitment of Newman's Own Foundation to support independent media and facilitate open dialogue.

The grant will be used to attract new members to SOPTV as a way to sustain the organization and its mission. SOPTV will develop community-based initiatives to meet the guidelines set forth by the grant, with the first being New Member March. **For every new member enrolled in the month of March, Newman's Own Foundation will give SOPTV \$100, up to \$25,000.**

"Paul Newman believed that the independent voice played a critical role in making our world a better place," said Robert Forrester, President and CEO of Newman's Own Foundation. "We are proud to uphold his values through our long-standing support of public broadcasting, and specifically through our funding of SOPTV."

SOPTV hopes this grant will excite viewers with the increased impact of their gift.

Newman's Own Foundation was created in 2005 to assure that his lifetime commitment to donate 100% of the profits made from the sale of Newman's Own food and beverage products would continue after his passing. Since 1982, over \$540 million has been donated to thousands of charities around the world.
